

Custer County (SD) (Images of America)

Custer County, South Dakota, is trees and prairies, Black Hills and buffalo, small towns and friendly people, mining and logging, farming and ranching, history and memories. It is the home of the Crazy Horse Monument. Custer State Park and Wind Cave National Park, where the Civilian Conservation Corps left many legacies, are here as well. But the individuals who did the everyday work are the ones who truly made a difference. These are the people who are celebrated within these pages, which contain over 220 vintage photographs, mostly from private collections. The only thing missing is the aroma of sawmills in operation that used to permeate Custer City. As the Custer Chamber of Commerce says, You should see the Hills from here.
