

The Little Brats Appointment: ABDL, Medical, First Time, Age Play, Step, Older, Younger, Pregnancy Romance

Can the doctor really help me to overcome my little problem? When the man of the house finds Ive missed a special appointment with the doctor hes very cross and teaches me a lesson that leaves me grateful for some warm milk and a soft diaper. He says the doctor can help me, but Im not sure I believe him. But if I dont trust him I will be stuck with my first time status for ever and thats something neither of us wants.
