

Finding Our Lost Kings and Queens: Strategies for Empowering Our Future Kings & Queens

The king is the most important piece of the game, and moves must be made in such a way that the king is never in check... Every child born on this planet has the potential to be royalty. But they are not born with this knowledge, so its up to adults to develop, train, educate and most importantly, listen to our youth. We must guide them to their rightful place on the throne before losing them to the many perils they face today. Finding Our Lost Kings and Queens will give key strategies on how to reach our lost youth. Life is a game of chess; every move must be strategically placed for the next move. A choice made today will determine where one will be tomorrow. This book will help us to better understand the challenges our youth face on a daily basis. Finding Our Lost kings and Queens was written with years of personal life experiences, accomplishments and disappointments behind me, as well as the knowledge gained from working one-on-one with the youth of today through programs created to benefit their well-being. With this I have gained valuable insight into the inner workings of their minds. Walk with me as I journey through the steps and strategies of how to find our lost youth and raise them to their true identity Kings and Queens.
