

Destroy the Paper Tiger (Inspector Harrigan Mysteries Book 2)

Destroy the Paper Tiger is the second novel in the Inspector Bill Harrigan series. Set in London in the late 1980s, it is a richly detailed, intriguing mystery novel, interspersed with moments of humour and drama. The many twists and turns and red herrings, keep the reader turning the pages up to the end of the story. When faced with two bodies in the ruins of a burned out warehouse, Harrigan had no idea it would lead him into a world of international altruism, murder, forbidden passion and eventually set him against Muhammad Asif Mahmood, one of the worlds most feared and powerful men. Only Harrigan could solve this mystery. He doesnt bow to threats, whether the threats come from Mahmood or the Home Office. He goes where the investigation takes him, seeking justice over the letter of the law, and he will do whatever it takes... whatever it takes.
