

Sweet Nothings: The Story of Pennys Passion Pudding

Sweet Nothings - the story of Pennys Passion Pudding! Whats so special about Penny Peachams home-made bread pudding the same old pudding that shes been serving up to her husband Archie and the rest of the family for ever that it suddenly seems to be getting everyone all worked up? Could it be that theres really some secret ingredient in the recipe, something fruity or spicy that works wonders for peoples love lives? Penny has no idea how the fuss started. Somehow, in the middle of an interview on local radio about the need for a bypass, she mentioned the pudding and before she knows it, shes becoming an accidental celebrity! All this is no help whatsoever to Pennys daughter Michelle, whose boyfriend Robbie has disappeared mysteriously in the middle of a pub lunch. Michelles not really sure how much this bothers her but if theres any love-magic in her mums famous pudding, she could certainly do with a serving of it herself!
