

Teatime for the Firefly

TEATIME FOR THE FIREFLY Layla Roy has defied the fates. Despite being born under an inauspicious horoscope, she is raised to be educated and independently-minded by her eccentric Anglophile grandfather, Dadamoshai. And, by cleverly manipulating the hand fortune has dealt her, she has even found love with Manik Deba man betrothed to another. All were minor miracles in India that spring of 1943, when young womens lives were predetermined if not by the stars, then by centuries of family tradition and social order. Laylas life as a newly married woman takes her away from home and into the jungles of Assam, where the worlds finest tea thrives on plantations run by native labor and British efficiency. Fascinated by this curious culture of whiskey-soaked ex-pat adventurers who seem fazed by neither earthquakes nor man-eating leopards, she struggles to find her place among the prickly English wives with whom she is expected to socialize, and the peculiar servants she now finds under her charge. But navigating the hazards of tea-garden society will hardly be her biggest challenge. For even Laylas remote home is not safe from the incendiary change sweeping India on the heels of the Second World War. Their colonial world is at a tipping point as tectonic political shifts rock the tea industry, and Layla and Manik find themselves caught in a perilous racial divide that threatens their very lives.
