

The Big Bear Bash: A Big Bundle Muscle-Bound Bears (Muscle-Bound in Sex-Town Megabundles Book 2)

Heres the newest entry in the Muscle-Bound in Sex-Town series of hardcore gay erotica about muscular men, bears and big, bulging blokes! This big bundle is a great value, containing nine complete stories at almost a third of the cost of buying them separately, and this ebook even comes with special bonus content! The Boot Camp Reacharound - Boot camp back in the 1970s was harsher than it is today, and drill sergeants had a lot more latitude to kick some ass and take some names! Private Frank Railton is about to find out the hard way that the rules at boot camp are not what he expected. His sergeant insists that theres nothing wrong with a soldier showing respect to his commanding officer by submitting to man-on-man action, so long as the man on top has the common courtesy of giving a reacharound! Hillbillies Downlow - Hawthorn has one last hunting trip with his friends before he goes to boot camp, and he wants it to be a trip to remember. Little did he know that some of his friends have their own ideas on how to make it memorable. Hawthorn is in for a mountain of man-on-man action when they begin making some friendly wagers on their skill, with the loser submitting and humiliating himself for your reading pleasure! Clothes Make the Man: Shredder - Ricky is a sexy Puerto Rican gym rat, who loves wearing shredders -- those sleeveless t-shirts with a partially open side. Theyre simple, comfortable and make sure everyone can see the fantastic body he spends so much time sculpting. When Ricky makes a new friend at the gym, he doesnt know what hes in for. Jimmy is a handsome young professional whos openly gay, and doesnt mind servicing hot str8 meat like Ricky. This outrageous story of man-on-man action is sure to toke your stroke! The Tools of Working Men: A Hernia Belt - Mark Sondheim is a shy young gay man who never thought he would proposition a

bunch of strangers. But when he hires some movers and a group of hot black musclegods show up, he cant resist making them an offer! The first one to decide his need for a blowjob is more important than his need for strict heterosexuality is a prison-starved thug named Thumper, who has no problem crossing lines. This story only gets hotter from there, as Thumper and his buddies learn how satisfying man-on-man action can be! Abused by a Russian - Sam has come to Russia for a business trip, but is surprised to find a musclebound local taking an interest in him. Rimanov hates gay men and Sam cant hide who he is, but hes about to find out that for str8 Russian thugs like Rimanov, the line between gay and straight can be blurry. Rimanov first must prove to his own satisfaction, and that of his friends, that Sam is as gay as he seems to be. A little man-on-man action suffices to prove it when Same makes it clear what turns him on, and then Rimanov sets out to fuck Sam hard enough to to turn him straight. Boot Camp Downlow - Jason Gilram finds boot camp hard enough without dealing with Henry Kyle, a fellow recruit who wont take no for an answer. For Henry, man-on-man action on the downlow is perfectly normal, and his farm-toned body and redneck machismo means he can make sure Jason joins in whether hes excited about it or not. In the barracks, in the showers and in the woods at night, Henry is all over Jason, ready to give it even better than he takes it, and while Jason may not love it, hes going to give it all hes got! This outrageous tale is sure to flog your hog! This ebook includes two more stories that cant be described here, complete tales about gym rats in the Southern US, Saudi Arabia and Malawi, and the hardcore man-on-man action they engage in!
