

## The Siamese Connection: Probing the Secret Annals of The Pennwalt Twins, Semi - Private Eyes

The Siamese Connection is the most bizarre tale about the most bizarre couple you'll ever meet. High-flying humor explodes from every page; surprises and twists clobber the reader from start to finish. You've never met a pair like Drake and DeeDee Pennwalt. Fascinating characters abound: Mad Madge Milliken and Just-Plain-Fledge Martin are the nation's two pet TV talk show hosts, who constantly snipe and snap at each other from opposite poles of the TV spectrum. David Letterman suddenly finds himself embroiled in a Mad Madge Milliken Strikes Again! episode that scoffs at all logic and reason. Rod Blazer is a TV news anchor who slips his moorings through an ill-fated encounter with Mad Madge Milliken. (Any encounter with Mad Madge Milliken is ill-fated.) Mim Leslie, Hollywood's hot tomato, known as the watched sex-pot that's constantly boiling. Through this maelstrom of madness weaves a fable of mystery, mysticism, and witticism. Don't shilly-shally, join the festival!
