

The Skin Collector (Lincoln Rhyme)

In his classic thriller *The Bone Collector*, Jeffery Deaver introduced readers to Lincoln Rhyme—the nation's most renowned investigator and forensic detective. Now, a new killer is on the loose: a criminal inspired by the *Bone Collector*. And Rhyme must untangle the twisted web of clues before the killer targets more victims—or Rhyme himself. **THE SKIN COLLECTOR** The killer's methods are terrifying. He stalks the basements and underground passageways of New York City. He tattoos his victims' flesh with cryptic messages, using a tattoo gun loaded with poison, resulting in an agonizing, painful death. When a connection is made to the *Bone Collector*—the serial killer who terrorized New York more than a decade ago—Lincoln Rhyme and Amelia Sachs are immediately drawn into the case. Rhyme, Sachs, and the NYPD must race against time to answer the many questions the investigation uncovers: Whom will the killer attack next? What is the message behind the victims' tattoos? Does the killer's own inking—a fanged centipede sporting a woman's face—hold any significance? And what is his ultimate mission? As time runs out, Rhyme discovers that the past has returned to haunt him in the most troubling way imaginable...
