Furious after overhearing her cousins discussing a wager between one of them and their friend Lonya plans to make fools of them both. She would play along with the game but in the end she would come out the winner. However she doesn't take into account the sensuality of the man or her own attraction to him and decides she will also gain something for herself. Foolishly she doesn't take into account what her heart would do and knows after spending one glorious night in his arms prays he won't go through with the foolish wager. In a night of drunkenness Courtland foolishly agrees to a dare his friend puts to him, what he never expected was that he would fall under the spell of the most beguiling woman he has ever laid eyes on. He needed to remind himself he was only seeing because of the bet he made instead of how much he wanted to bed her. But she made him half-crazed and in the end he couldn't resist and after making love to her knows he wants her for the rest of his life.
