

Witch Haven Cove

Serena believes her parents died in a plane crash off the Australian coast. Unable to cope with her loss, she rebels by practicing magick too advanced for a novice witch and unknowingly conjures an Underworld lord whos convinced she knows the whereabouts of the Saturian Ruby. To secure Serenas cooperation, he kidnaps Jenny, Serenas older sister and guardian, threatening to end her life if the precious gem isnt in his possession within three days of the Haydren Comets return. With the aide of her mentor and an eccentric professor Serena must race against time to find the ruby and save her sister. If she fails, it will change the fate of every witch on the planet forever.
